just like a star across my sky,
just like an angel off the page,
you have appeared to my life,
feel like I’ll never be the same.
just like a song in my heart,
just like oil on my hands,
honour to love you.

i wonder why it is,
I don’t argue like this with anyone but you.
we do it all the time,
blowing out my mind.

i wonder why it is,
I don’t argue like this with anyone but you.
we do it all the time,
blowing out my mind.
now i have come to understand the way it is it’s not a secret anymore,
cause we’ve been through that before.
from tonight i know that you’re the only one.
I’ve been confused and in the dark,
now i understand.

you’ve got this look i can’t describe,
you make me feel i’m alive,
when everything else is au fait,
without a doubt you’re on my side.

i wonder why it is,
i won’t let my guard down to anyone but you.
we do it all the time,

i wait for you.
i don’t know why,
all i know is i can’t hide.
at this temperature you could take over my mind.
like gossamer, you softly touch.
he draws me in, i’m powerless.
he possesses an enchantment.
tell me i’m forgiven.
he calls, don’t know how i fell under his spell.
lately i’ve been driven.
he smiles, an enchantment.
i wait for you.
i’m mesmerised this love is like a potion in disguise.
it’s the kind of sleepwalk that never ends.
he possesses an enchantment.
tell me i’m forgiven.
he calls, don’t know how i fell under his spell.
lately i’ve been driven.
he smiles, an enchantment.
i wait for you.
i’d run away, he’s in my dreams.
he possesses an enchantment.
tell me i’m forgiven.
he calls, don’t know how i fell under his spell.
lately i’ve been driven.
he smiles, an enchantment.
i wait for you.
i’m mesmerised this love is like a potion in disguise.
it’s the kind of sleepwalk that never ends.

i wait for you.
i don’t know why,
all i know is i can’t hide.

he possesses an enchantment.
tell me i’m forgiven.
he calls, don’t know how i fell under his spell.
lately i’ve been driven.
he smiles, an enchantment.
i wait for you.
i know what i said was heat of the moment.
there’s a little truth in between the words we spoke
and it’s a little late now to fix a heart that’s broken.
please don’t ask me where i’m going,
cause i don’t know
no i don’t know, anymore.
it used to feel like heaven,
it used to feel like may.
i used to hear those violins playing heart strings like a symphony,
now they’re gone away. nobody wants to face the truth, but you won’t believe what love can do till it happens to you.
till it happens to you. went to the old flat guess i was trying to turn the clock back, but how comes that nothing feels the same now when
i’m with you?
we used to stay up all night in the kitchen when our love was new. ooo love,
am i a fool to believe in you? ’cause i don’t know, no i don’t know, anymore.
it used to feel like heaven, it used to feel like may. i used to hear those violins playing heart strings like a symphony,
now they’re gone away.
nobody wants to face to the truth until their heart’s broken.
don’t you dare tell them what you think to do,
till they get over. you can only learn these things from experience,
when you get older.
i just wish that someone would’ve told me.
mmm

it's late and i'm feeling so tired,
having trouble sleeping.
this constant compromise between thinking and breathing.
could it be i'm suffering because i'll never give in?
won't say that i'm falling in love.
tell me i don't seem myself.
couldn't i blame something else?
just don't say i'm falling in love,
some kind of therapy is all i need,
please believe me.
some instant remedy that can cure me completely.
could it be i'm suffering because i'll never give in?
won't say that i'm falling in love.
tell me i don't seem myself.
couldn't i blame something else?
just don't say i'm falling in love,
ooo,
cause i've been there before and it's not enough.
so nobody say,
don't even say it.
i've got my eyes shut,
won't look, oh,
no i'm not in love.
could it be i'm suffering...don't say that i'm falling in love....

i was just waiting for your phone call,
when they came along to say
that a rose done chased you clear away.
you had said i was gamine
but we didn't mean the same thing,
i think, broke my choux pastry heart.
guess life's no picture postcard.
one for sorrow,
two for joy,
sometimes you win,
sometimes you lose.
don't want to lose you.
don't even own you.
i just want to stay right here,
until never dawns.
i was just waiting for your answer,
still,
you made your own apologies
i cried so much i had to leave.
three for a girl,
four for a boy,
sometimes you win,
sometimes you lose.
don't want to lose you.
don't even own you.
i just want to stay right here until
never dawns.

lying here with you reminds me of those days.
me and candice waking up to a heatwave.
mother's in the garden inviting everyone,
ooo, we'd cut off our old jeans and go outside.
neighbour's always smiling with a baby on her knee.
rhea sat on the front step getting her hair combed out and greased,
and music, the bass booming, pours from a car parked in the street.
my mother’s house there’s a photograph of a
day gone past,
always makes me laugh.
there’s a little girl wary of the world she’s got
much to learn,
get her fingers burnt.
an affinity between you and me was a family.
said that I’d be fine,
gave me all your time and I left your side like a
butterfly.

sometimes you don’t understand where I’m coming from,
i’m just trying to make you see that I desire the simple things.
growing up we didn’t have a lot of money,
used to spend our summers having parties on the drive.
plastic cups for rum and punch,
eating chicken that’s hot and sweet.
all the women discussing what love is like,
ooo you know the way i mean, and i’m just sitting, watching,
hoping the boys will call for me.

maybe you’ve been pouring everything into this, from
a state of bliss it turns to agony.
you can’t predict this,
when it comes to it,
you can’t hide from it,
so don’t you surrender anything.
don’t you know that,
patience is a virtue?
yes it is.
and life is a waiting game,
don’t you know that?
peace must be nurtured and all the money in the world can buy you nothing,
let me tell you that.
all these things happen,
all these things happen for a reason.
so don’t you go and throw it all away,
you’ll get yours when the seasons change.
hurts me to see you feel this way but it won’t be
always.
don’t you know everything’s got to change?
looks like all your hope is gone, you can’t carry on,
but there’s nothing wrong.
you don’t have to pretend with me.
don’t you know that patience is a virtue?
yes it is.
and life is a waiting game.
don’t you know that?
peace must be nurtured
and the money in the world can buy you nothing,
let me tell you that.
all these things happen,
all these things happen for a reason.
so don’t you go and throw it all away,
you’ll get yours when the seasons change.
